Courtyard by Marriott® Montvale NJ Hotel Announces New Private Website

Montvale, NJ – July 2007 - The Courtyard by Marriott® Montvale located at 100 Chestnut Ridge Road proudly announces that it has launched its private hotel website. The hotel is a member of the Marriott hotel brands and offers 178 well-appointed guest rooms and 6 suites as well as high-speed Internet access throughout the smoke-free property.

The website address is www.courtyardmontvale.com and is live on the world-wide-web.

“When we did our annual strategic planning recently, one area of opportunity that came up was to have a personalized website for the hotel. With more and more guests using the Internet to shop for lodging accommodations we wanted to increase our visibility on the Internet,” remarked Diane Falco, Director of Sales.

The website for the Courtyard by Marriott® Montvale contains information about the amenities of the hotel as well as regional points of interest, businesses, leisure activities, and restaurants. Guests that book from www.courtyardmontvale.com will be re-directed to Marriott’s branded website for Courtyard® where the best available rate will be obtained. In addition to the comfort of booking directly from Marriott, the new website assures travelers that they will earn their valuable Marriott Rewards® points. Marriott Rewards® is the industry’s leading guest loyalty program that earns complimentary stays throughout the Marriott system and offers various ways to redeem your points for other travel and merchandise.

General Manager, Paul Viapiano stated, “With so many Internet sites out there we felt it was important to have an official site that accurately reflects the amenities, services, and location of the Montvale Courtyard®.”

Featured on the web site are press releases, area information, special packages, a photo gallery, and upcoming area events.
